26/08/2003: General Medical Council’s license

Postgraduate Education

27/04/2005 – 26/01/2008: Resident in Internal Medicine – Hematology.

22/08/2008- 21/08/2011: Resident in Medical Oncology/ Department of Clinical Therapeutics of University of Athens, in "Alexandra" General Hospital (Prof.- Rector M.A. Dimopoulos).

23/07/2010: Doctoral Thesis in Medical School, University of Athens, entitled: «Evaluation of molecular markers in patients with preinvasive breast lesions excised via minimally invasive biopsy», (Grade: Excellent).

10/11/2011: Speciality in Medical Oncology.

Fellowship in Oncology

11/2011 – 18/1/2013: Research Fellow in the Comprehensive Cancer Center of Vienna, Austria, for further training in Medical Oncology- in breast cancer and in Basic Research. Director: Professor Cr. Zielinski, Prof. Dr M. Filipits.

Foreign Languages

English (Excellent - Proficiency), French (Excellent - Sorbonne II).

2. Teaching and educational activities

I. Undergraduate Education

A. Chapters in Textbooks

Chapters in undergraduate education textbooks: 1

B. Teaching faculty for undergraduate students

- 1/3/2013- 28/2/2015: Fellow in the Department of Clinical Therapeutics, "Alexandra" General Hospital with teaching tasks
- 03/2013- present: Teaching in the Breast Unit, at the Department of the 1 St Propaedeutic Surgical clinic to 6-year students, on the subject of Medical Oncology of breast cancer and updated data.
- Lectures to 6-year medical students in the Department of Clinical Therapeutics, "Alexandra" General Hospital (see Postgraduate Education).
- Lectures to 6-year medical students in the 1st Propaedeutic Surgical clinic of University of Athens, "Ippokratio" General Hospital (see Postgraduate Education).
- Teaching the obligatory elective course "Oncology I" for the medical students (2014-2015 and 2015-2016)
- Lectures to 5-year medical students in the Department of Clinical Therapeutics 2016-2017, 2017-2018, 2018-2019, 2019-2020.

C. Miscellaneous

- Full support and mentoring of a student's Thesis work (Medical School of the University of Vienna, Austria, 2011-2012).

II. Teaching faculty for postgraduate students

A. Chapters in Textbooks

Chapters in international postgraduate education textbooks: 3

Chapters in Greek postgraduate education textbooks: 12

B. Courses in Education Committees, Postgraduate programs, etc.

- Teaching at Postgraduate courses program entitled "Minimally invasive surgery, robotic surgery, telemedicine", the A9 course entitled "Minimally invasive techniques and their role in Oncology" for the Academic years 2009-

2010, 2010-2011, 2012-2013, 2013-2014, 2014-2015.

- 03/2013- present: Teaching in the Breast Unit of the first Propaedeutic Surgical Clinic resident and doctoral students, on the Medical Oncology of breast cancer and the newest data.
- Lectures to residents in the Department of Therapeutic, "Alexandra" General Hospital (see undergraduate education).
- Lectures to resident and doctoral students of the first Propaedeutic Surgical Clinic of the University of Athens, "Ippokratio" General Hospital (see undergraduate education).
- Teaching in Educational Breast Courses of the Hellenic Academic Society of Medical Oncology, for Medical Oncology residents and new doctors.
- Honoris causa for the contribution in training new doctors on the area of breast cancer (23 May 2015 from the Hellenic Breast Association).
- Teaching in Educational program, to Hematologists during the «Multiple Myeloma and Amyloidosis Preceptorship» program, 27&28/10/2015, Athens.
- Teaching in Educational program, to Pathology Oncologists from Bulgaria
- Teaching at Postgraduate courses program entitled: MSc in Clinical Trials: Design and Conduct, 2018-2019, 2019-2020, 2020-2021
- Trainer at educational program of Heart Failure and Cardiooncology of University of Athens, School of Medicine 2020-2021
- Teaching at Postgraduate courses program entitled Surgical Oncology 2020-2021, 17-11-2015, Athens.

C. Lectures in conferences

Participation as a guest speaker in lectures in 23 round tables in international conferences and 131 round tables in Greek conferences, as well as participation as moderator in 51 round tables in Greek conferences and one in a international conferences.

3. Clinical and Laboratory activities

- 11/2011 – 18/1/2013: Research Fellow in the Comprehensive Cancer Center in Vienna, Austria/ Department of Internal Medicine I, (Medical Oncology Breast

Cancer and Basic Research; Director: Professor Cr. Zielinski, M. Filipits) participating in all the activities.

- 1/3/2013- 29/8/2017: Fellow in the Department of Clinical Therapeutics, "Alexandra" General Hospital (Professor-Rector M.-A. Dimopoulos), participating in all the activities of the Therapeutic Clinic, including word rounds, MDT meetings, outpatient clinic, etc.

4. Awards, Honors, Scholarships

1989, 1990: 3 awards, 1st prize in individual and group level in Attica championship chess cup matches.

1993- 1996: Certificate of Excellence in high school studies, Ministry of Education.

1997- 2003: Scholarship Award from the Latsis Foundation for performance during 6 years of studies in Medical School.

2010: Scholarship from the Hellenic Cooperative Oncology Group for fellowship.

2012: Official invitation in the Consensus statement of IMPACT 2012 on the use of gene signatures in breast cancer, (published in Annals of Oncology: "Utility of prognostic genomic tests in breast cancer practice: The IMPAKT 2012 Working Group Consensus Statement. Ann Oncol 2013;24(3):647-54).

2013: "Flemish League against cancer" Society's invitation to evaluate research projects against cancer for post-doctoral researchers.

2014: Evaluator of research proposals submitted to European Research Council (European Commission).

2015, 2016: Vice-president of the Work Awards Committees in the 2nd and 3rd conferences of the Greek and International Society of molecularly targeted individualized therapies. 1-2 May 2015 and 6-7 May 2016.

2015: Honoris causa from the Hellenic Breast Association, for my contribution in training new doctors on the area of breast cancer.

2015: Hellenic Cooperative Oncology Group (HECOG) elected me, as coordinator in breast cancer study group.

34th Annual Panhellenic Medical Conference, 37th Annual Panhellenic Medical Conference, 2nd and 3rd conference of Greek and International Society of molecularly targeted-individualized therapies, the 2nd Aegean Hematology Oncology symposium.

5. Organisational activities, responsibilities, committees

A. General

- 1/3/2013- 28/2/2015: Organizing activities in the Department of Clinical Therapeutics.
- Member of the Executive Committee of the “Hellenic and International Society of molecular targeted- personalized treatments”.
- Scientific Committee member of the “Hellenic Cooperative Oncology Group (HEGOG)”.
- 11/2015 - 2017: Coordinator of the Breast Cancer Study Group (Hellenic Cooperative group- HEGOG).

B. Member in Organizing/ Scientific Committees in local and international medical congresses: 34

C. Participation in European Committees

1. “Flemish League against cancer” Society’s invitation to evaluate research projects against cancer for post-doctoral researchers.
2. Evaluator of research proposals submitted to European Research Council (European Commission).

D. Participation in clinical, multicenter trials Total: 56 (Principal Investigator in 32 and as a Sub-Investigator in 24)

6. Research activities, publications

Reviewer in book series of Elsevier and Reviewer in 36 international journals

Editor in books: 1

Associate Editor in journals: 2

A. LIST OF PUBLICATIONS IN JOURNAL CITED in PubMed (TOTAL 295)

PUBLICATIONS IN JOURNAL CITED in PubMed:295

(excluding abstracts of presentations published in international journals)

CITATIONS:

Google Scholar: 6,002; h-index: 41

Scopus: 2,981; h-index 29

ISI: 2.573;

Self-citations ISI: 139, h-index 27

B. LIST OF PUBLICATIONS IN JOURNAL NOT CITED in PubMed: 6

C. CHAPTERS IN INTERNATIONAL TEXTBOOKS : 4

D. ABSTRACTS IN INTERNATIONAL CONGRESSES: 76
