PERSONAL INFORMATION

- Born: September 30, 1967 Tripolis, Greece
- Marital status: Married, one (1) child
- Languages: Greek, English

CURRENT POSITION

- Associate Professor in Anaesthesiology, National & Kapodistrian University of Athens.
- Head of the Pain and Palliative Care Department of Aretaieio Hospital at National & Kapodistrian University of Athens.
- Anaesthesiologist in the 1st Department of Anaesthesiology, Aretaieio University Hospital, Athens, Greece

RURAL SERVICE

- 22/07/1996 to 11/1/1998 in Astros Health center, Arcadia country

EDUCATION / RESIDENCY

- 1985: Graduate of 2nd High School, Tripolis, Greece
- 1986-1996: Medical School, National and Kapodistrian University of Athens, Greece
- 1998-2003: Resident in Anaesthesiology, 1st Department of Anaesthesiology, Aretaieio University Hospital, Athens, Greece
- 19/06/2000-14/09/2000 Postgraduate Training in King's College Hospital, London, United Kingdom (Liver Transplant Department)
- 5/03/2018 -3/06/2018 Training in Neuromodulation Techniques at Pain Management Unit of Sant' Andrea University Hospital in Rome

PhD

- PhD from National & Kapodistrian University of Athens, Medical School (2005):
"Myocardial involvement during ischemia-induced acute liver failure in the pig"

BOARD CERTIFICATION/ LICENSURE

- License to practice medicine (30/05/1996)
- Officially certified as a licensed Anaesthesiologist by the Ministry of Health Authorisation Committee, after successful examination (23/07/2003)

- Certified as BLS Provider after successful attendance of the course “Basic Life Support and automated external defibrillation” – BLS/AED Course, European Resuscitation Council – ERC, Athens, 22-24/10/1999
- Certified as ALS Provider after successful attendance and examination, Advanced Life Support – ALS Course, European Resuscitation Council – ERC, Athens 22-24/10/2001.
- Certified as BLS and ALS Instructor (ALS Generic Instructor Course, European Resuscitation Council- ERC), Thessaloniki 23-24/2/2002
- Part I European Diploma of Anaesthesiology and Intensive Care (Part I), September 2009 Paris

OTHER CERTIFICATIONS AND DIPLOMAS (SEMINARS/CONGRESSES)

- I have attended 25 training seminars/clinical courses/workshops (Central and peripheral blocks, difficult airway management, use of ultrasound, transesophageal echocardiography, mechanical ventilation, fast track anesthesia, cadaver lab workshop on neuromodulation etc.)
- I have attended 58 Congresses/Scientific meetings (46 national and 12 international).

ACADEMIC APPOINTMENTS

- 2007-2013: Lecturer in Anaesthesiology, Medical School, National and Kapodistrian University of Athens
- 2013-7/2019: Assistant Professor in Anaesthesiology, Medical School, National and Kapodistrian University of Athens.
- 7/1019-present: Associate Professor in Anaesthesiology, Medical School, National and Kapodistrian University of Athens.

PREVIOUS APPOINTMENTS

- 2003-2005: Research Associate and clinical specialist Anaesthesiologist at Aretaieio Hospital, National and Kapodistrian University of Athens, Greece
- 2005-2007: Consultant Anesthesiologist at Aiginion Hospital, National and Kapodistrian University of Athens, Greece

CLINICAL EXPERIENCE

- 1996-1998: Practice in General Medicine, Astros, Greece
- 1998-2003: Resident in Anaesthesiology, 1st Department of Anaesthesiology, Aretaieio University Hospital, Athens. During that time I gained experience in general/regional anaesthetic modalities, perioperative medicine and emergency medicine
- 6/2000-9/2002: Honorary Registrar at King's College Hospital, London, UK. Modules undertaken: Anaesthesia and Intensive Care for liver transplantation and major hepatobiliary surgery
- 2003-2005: As specialist Anaesthesiologist in Aretaieio University Hospital, Athens, Greece. During that time I provided all types of anaesthesia for general surgery, urological surgery and vascular surgery. I mostly dealt with Day Case Surgery.
- 2007 (Lecturer) -today: Anaesthesiologist in the 1st Department of Anaesthesiology, Aretaieio University Hospital, Athens, Greece. During these years I am actively involved in all clinical activities of the Department. I provide General/Regional/MAC anaesthesia and postoperative analgesia for general surgery, major hepatobiliary surgery, major vascular surgery, urological surgery and gynaecological surgery. I am involved in the anaesthetic, perioperative and peri-partum management of obstetric cases: Aretaieion University Hospital of Athens, Greece is a tertiary referral centre for obstetric patients with a significant proportion of high-risk pregnancies, including diabetic complications,

severe pre-eclampsia and other rare disorders. I had the opportunity to gain experience in the use of combined spinal-epidurals for caesarean sections and I have faced many anaesthetic challenges such as post-partum haemorrhage and emergency caesarean sections. I also provide anaesthesiological and emergency medicine services to the IVF Department and Interventional Radiology Department. Finally, I do on call duty (5-7 on calls per month) for emergency cases.

- 5/03/2018 -3/06/2018: Full time attendance and training on Neuromodulation Techniques at Pain Management Unit of Sant' Andrea University Hospital in Rome
- June 2018 – today: Head of the Pain and Palliative Care Department of Aretaieio Hospital at National & Kapodistrian University of Athens, where I gained substantial experience in multimodal treatment methods of a variety of acute, chronic and cancer pain conditions. I perform multiple management techniques including pharmacological therapy, interventional therapy, physiotherapy and psychological management.
I assess about 700 New Chronic pain patients every year. I have special interest in multidisciplinary and interventional management of Cancer pain, Neuropathic pain, Trigeminal Neuralgia, spinal pain including sciatica and Neuromodulation for chronic pain.

EDUCATIONAL & TEACHING ACTIVITY

- As an Associate Professor I teach the students of Medical School, University of Athens, Greece via lectures and clinical practice training in the operating room
- I teach in 7 post-graduate academic programs (Master of Science Degree in Medical Sciences, MSc) organized by the National and Kapodistrian University of Athens, Greece
- I am Supervisor in post-graduate research and scientific work (PhD, MSc)
 - Supervisor of 10 PhD students (Doctor of Philosophy Degree)
 - Supervisor of 31 MSc students (Master of Science Degree in Medical Sciences)
 - 20 of the MScs have been completed

- I am Member of Scientific Committees for assessment of PhDs
 - Committee for continuous assessment: 15
 - Committee for final assessment: 22
- I am Member of Scientific Committees for assessment of MScs
 - Committee for final assessment: 32
- I have participated as Instructor or Speaker/Lecturer in 77 Postgraduate Courses and Seminars. In summary:
 - I am Instructor in Basic Life Support courses (since 1999)
 - I am Instructor in both Immediate Life Support Courses and Advanced Life Support Courses (since 2002)
 - I am Instructor in Generic Instructor Courses of both BLS and ALS (GIC) for training new instructors (since 2002)
 - I have given lectures in the “Obstetric Anaesthesia Seminars” for residents and specialists held annually in Aretaieio Hospital (2007-2019)
 - I teach and prepare candidates for the European Diploma in Anaesthesiology and Intensive Care, Part I (courses organized since 2014)
 - I teach candidates for the European Diploma in Regional Anaesthesia (EDRA Diploma) by giving lectures in “Regional anaesthesia seminar and workshop” organized every year by ESRA-Hellas which is accepted by the ESRA Diploma Board, as prerequisite for the EDRA Diploma (since 2009)
 - I give lectures to Specialists in Anaesthesiology in seminars for Continuous Medical Education, Committee for European Education in Anaesthesiology, (C.E.E.A).
 - I was giving lectures to trainees in Anaesthesiology in weekly courses organized by the 1st Department of Anaesthesiology, Aretaieio Hospital (2007-2013)
 - I give lectures to Anaesthesiologists in “refresher courses” organized by the 1st Department of Anaesthesiology, Aretaieio University Hospital (since 2014)

- As a clinical anaesthesiologist in a teaching hospital (1st Department of Anaesthesiology, Aretaieio University Hospital), I teach and train residents in Anaesthesiology
- I give lectures to trainees in Anaesthesiology in courses organized by the 2nd Department of Anaesthesiology, Attikon University Hospital
- I teach residents in Anaesthesiology (lectures) in courses organized by the Greek Society of Anaesthesiology

EXAMINATION COMMITTEES

- Participation in the organization of European Diploma Part I Examination in Athens since 2010.

RESEARCH ACTIVITY

- Member (2015-2019) of the ESRA-HELLAS Research Committee

Primary areas of scientific interest & investigation

- Obstetric anaesthesia and analgesia
- Pain-Neuromodulation
- Hepatobiliary surgery

Research Protocols

- Participation in more than 55 clinical & clinical/laboratory protocols
- Participation in 10 experimental protocols (animal studies)

- Participation as investigator in 1 European survey on obstetric anaesthesia practice which was endorsed by ESA (ESA Scientific and Research Committees, ESA Scientific Subcommittee for Obstetric Anesthesia and Media Committee).
- Participation in the European Multicenter study EPiMAP (EPiMAP Obstetrics: European Practices in the Management of Accidental Dural Puncture in Obstetrics).

The study is sponsored by a grant from the European Society of Anaesthesiology Clinical Trial Network (ESA CTN). It is currently organized; data acquisition will start on January, 2016.

- I participate as investigator of Aretaieio Hospital
- I was the reviewer of the translated documents which have been sent to all the local investigators in Greece

CONTRIBUTION TO GUIDELINES

- **Guidelines for preanaesthetic evaluation and preparation of adult patients**, project of the Scientific Working Group of the Greek Society of Anaesthesiology
 - As author (1st author): Guidelines for Day Case Surgery
 - As reviewer: Final review

SOCIETY MEMBERSHIPS

- Greek Medical Society
- Greek Society of Anaesthesiology
- European Society of Regional Anaesthesia & Pain Therapy-HELLAS (ESRA-HELLAS)
- European Society of Anaesthesiology (ESA)
- European Society of Regional Anaesthesia & Pain Therapy (ESRA)

Specific positions in Societies

- Member of the ESRA-HELLAS Research Committee (2015-2019)
- Alternate member of the Directory Board of ESRA-HELLAS

MEMBERSHIP IN ORGANIZING / SCIENTIFIC COMMITTEES

- Course Director in the Basic Life Support and Use of Automated External Defibrillator, European Resuscitation Council, Athens, Greece (12/10/2003)
- Course Director in the Basic Life Support and Use of Automated External Defibrillator, European Resuscitation Council, Athens, Greece (11/12/2004)
- I have participated (as a member) in the Organizing/Scientific committee in fifteen (15) National and International Conferences on Anaesthesia, Regional Anaesthesia & Pain Management, and Resuscitation.
- I was coordinator (organized the content and speakers) of 3 modules in the Postgraduate Refresher Courses 2014-2015 held by the 1st Department of Anaesthesiology University of Athens. (Course Director: Associate Prof. Dr A. Argyra)
- Since 2014, I contribute to the preparation/conduction and serve as exam invigilator in the written examination for the European Diploma in Anaesthesiology and Intensive Care, Part I, which is conducted annually in Athens. [Host/Coordinator: Associate Prof. A. Melemenis (since 2014)]
- Since 2007, I have participated in 3 Hospital Committees for quality/safety standards and supplies of Anaesthetic Equipment, Medical Gases (Areataieio Hospital).
- I am member of the ESRA-HELLAS Research Committee (2015-2019)
- I am alternate member of the Directory Board of ESRA-HELLAS
- Since 2007, I am the responsible Academic Anaesthesiologist for the allocation of Anaesthesia and perioperative care of all surgical cases. For the same period I am in charge of the oncall rota of the Anaesthesiology Department

REVIEWER IN INTERNATIONAL SCIENTIFIC JOURNALS : 2
